Biography

Gigi Hozimah is a Saudi-American writer, director, and visual artist based in Philadelphia. Her work explores identity, memory, grief, and emotional dislocation through a poetic, psychologically driven visual language.

Her feature films include *He Belongs to Us*, *That Abandoned Place*, *It's Always That Feeling*, and *And Then Comes Winter*. She is the founder of Look At The Wall Productions and the founder and artistic director of the Saudi Independent Cinema Salon, an annual cultural platform launched in Paris to champion independent Saudi auteur cinema and foster cross-cultural dialogue.

IMDb biography and full credits →
